

HYDE FOUND GUILTY

Life Sentence Is Imposed Upon Kansas City Doctor.

JURY ON CASE SIXTY HOURS

Remarkable Trial of Dr. B. C. Hyde, Principal Defendant in the sensational Swope Murder Trial, Comes to An End.

After deliberating 60 hours, the jury in the trial of Dr. B. C. Hyde found him guilty of murdering Col. Thomas H. Swope, the millionaire philanthropist, with a sentence of life imprisonment.

This ended one of the most remarkable murder cases of a decade, in which it was charged that the doctor planned to secure the immense Swope fortune by killing off his wife's entire family with diseased germs and subtle poisons.

As the verdict of murder in the first degree was announced by the foreman of the jury, Dr. Hyde bowed his head. His wife broke into sobs and tried to rush to his arms as he stood in the dock.

LOUISIANA ASSEMBLY TO MARCH ON CAPITAL.

Panama Exposition Special to Carry Fourteen Heavily Laden Caches.

New Orleans, May 22.—For the first time in the history of the United States, it is said, that a state legislature ever adjourned for the purpose of going in a body to Washington to appear in connection with any measure in congress.

The Louisiana general assembly will take practically a week's recess next Tuesday to journey to the national capital in the interest of the proposed world's Panama exposition to be held in New Orleans in 1915.

The governor, lieutenant governor, other state officials and city officials of New Orleans will likewise be in the delegation.

The "Panama exposition special," which name will be prominently disposed on each of the fourteen coaches that are to make up the train, will be the longest passenger train ever run out of New Orleans.

Commander Julius A. Pratt Post No. 143, Dpt. 111, G. A. R.

Mr. Isaac Cook, Commander of above Post, Kewanee, Ill., writes:

"For a long time I was bothered with backache. About two months ago I started taking Foley Kidney Pills and soon saw they were doing just as claimed. I kept on taking them and now I am free from backache, and the painful bladder misery is all gone. I like Foley Kidney Pills so well that I have told many of my friends and comrades about them and shall recommend them at every opportunity. City Drug Co.

Senator Bankhead has been handing out some hot talk in the Senate about the government spending millions of money for useless warships and leaving the public roads and the farming interest to struggle along on penny help. Mr. Bankhead is on the right line and we hope that he will keep hammering away until our government decides to do some real good with the money it collects from the people.

The Philadelphia Record says: According to the statistical report of the sales of alcoholic liquors in the United States for the first nine months of the present fiscal year there has been an increase of over 200,000 gallons per day in that time. Considering the widespread effort to prevent the sale of liquor through the adoption of restrictive legislation, these figures must be deemed remarkable. It is alleged that the restrictions upon the sale of malt liquors over a great expanse of territory, especially in the Southern States, have led to the substitution of the more portable and more fiery spirits. Underlying also tends to over-drinking. It is dangerous to theorize upon such a matter; but if there has been any decisive increase, for any reason, in the per capita consumption of quick intoxicants, it must be deemed deplorable.

Lieutenant Gov. Sead, elect, was not invited to speak at the state convention recently held in Montgomery. Mr. Sead probably doesn't feel badly about the matter, as he will soon have a chance to hit some of the speakers in the neck anyway.

Niggers won't the only folks that quit work to pray—while the come swung round the circle. The recording angel doubtless has many new names on his prayer book.

There are many ways to build but "patronize home industry" goes in the corner stone of every successful venture of this kind.

A cargo of Italian immigrants were landed at New Orleans last week and settled in farming section of South Mississippi and Alabama. They are said to be very desirable citizens.
